

# Mia's Messy Morning

1. Ask friends for suggestions to fill in the blanks by giving them the instructions below each line. Don't show them the story!
2. Don't use "water" or other water words ("ice", "wet", etc.) to fill any of the blanks.
3. Read your story out loud to the group.

Mia woke up feeling \_\_\_\_\_ (ADJECTIVE) and went straight to the \_\_\_\_\_ (ROOM IN A HOUSE). She turned on the faucet, but instead of water, \_\_\_\_\_ (FOOD) came rushing out! Mia tried brushing her teeth, but the toothbrush was covered in \_\_\_\_\_ (A DIFFERENT FOOD). At breakfast, her mom poured coffee made with \_\_\_\_\_ (LIQUID) and her dad washed dishes using \_\_\_\_\_ (PLURAL NOUN). "This is \_\_\_\_\_ (ADJECTIVE)!" Mia shouted. Even her pet \_\_\_\_\_ (ANIMAL) refused to take a bath. When Mia got to school, the toilets wouldn't flush, and the science teacher had to mix chemicals with \_\_\_\_\_ (FOOD) instead of water. At recess, the kids filled water balloons with \_\_\_\_\_ (PLURAL NOUN), which made a huge \_\_\_\_\_ (ADJECTIVE) mess. On the way home, Mia saw the firetruck spraying \_\_\_\_\_ (LIQUID) instead of water. Everyone looked \_\_\_\_\_ (ADJECTIVE) and \_\_\_\_\_ (ADJECTIVE). A day without water is impossible to imagine....but Mia sure tried!
